

The Fencerow Freedom Project

brought to you by
**Dickinson County
Conservation District**
goals

1. Remove trees bordering productive cropland or grassland and roads
2. Help combat woody encroachment
3. Improve road safety
4. Streamline county and township maintenance
5. Reduce risk of power outages during storms
6. Enhance the reliability of the local power grid

Applications Accepted June 1 - June 30

Apply in person at the USDA Service Center 328 NE 14th St. Abilene, KS, online at www.dkcoconservation.com, by scanning the QR code above, or by contacting Cindy Montgomery at 785-263-1351 ext. 3 or 785-200-6500

Funding from some programs provided by State of Kansas Water Plan Fund.
